

**Handout****3 – 3**  
Section 17**Enrichment****The Circus**

**Build** a circus using solids.

**Use** 6 nets of solids from this handout to **build** a circus that includes 3 different-shaped tents.

To build the circus:

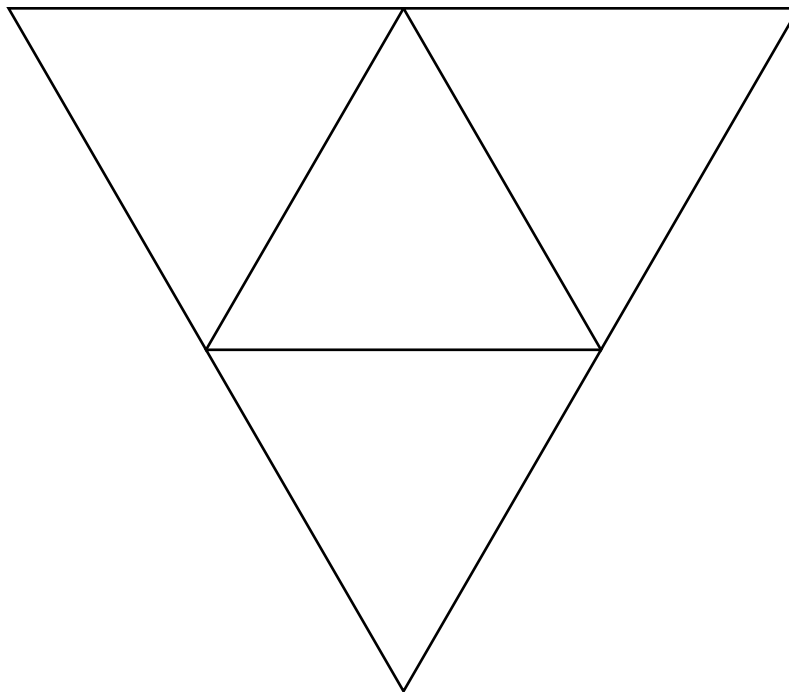

- **Cut out** the nets.
- **Fold** the shapes and then **tape** them together.

**Circus Tents**

Tent 1: 1 cube and 1 square pyramid

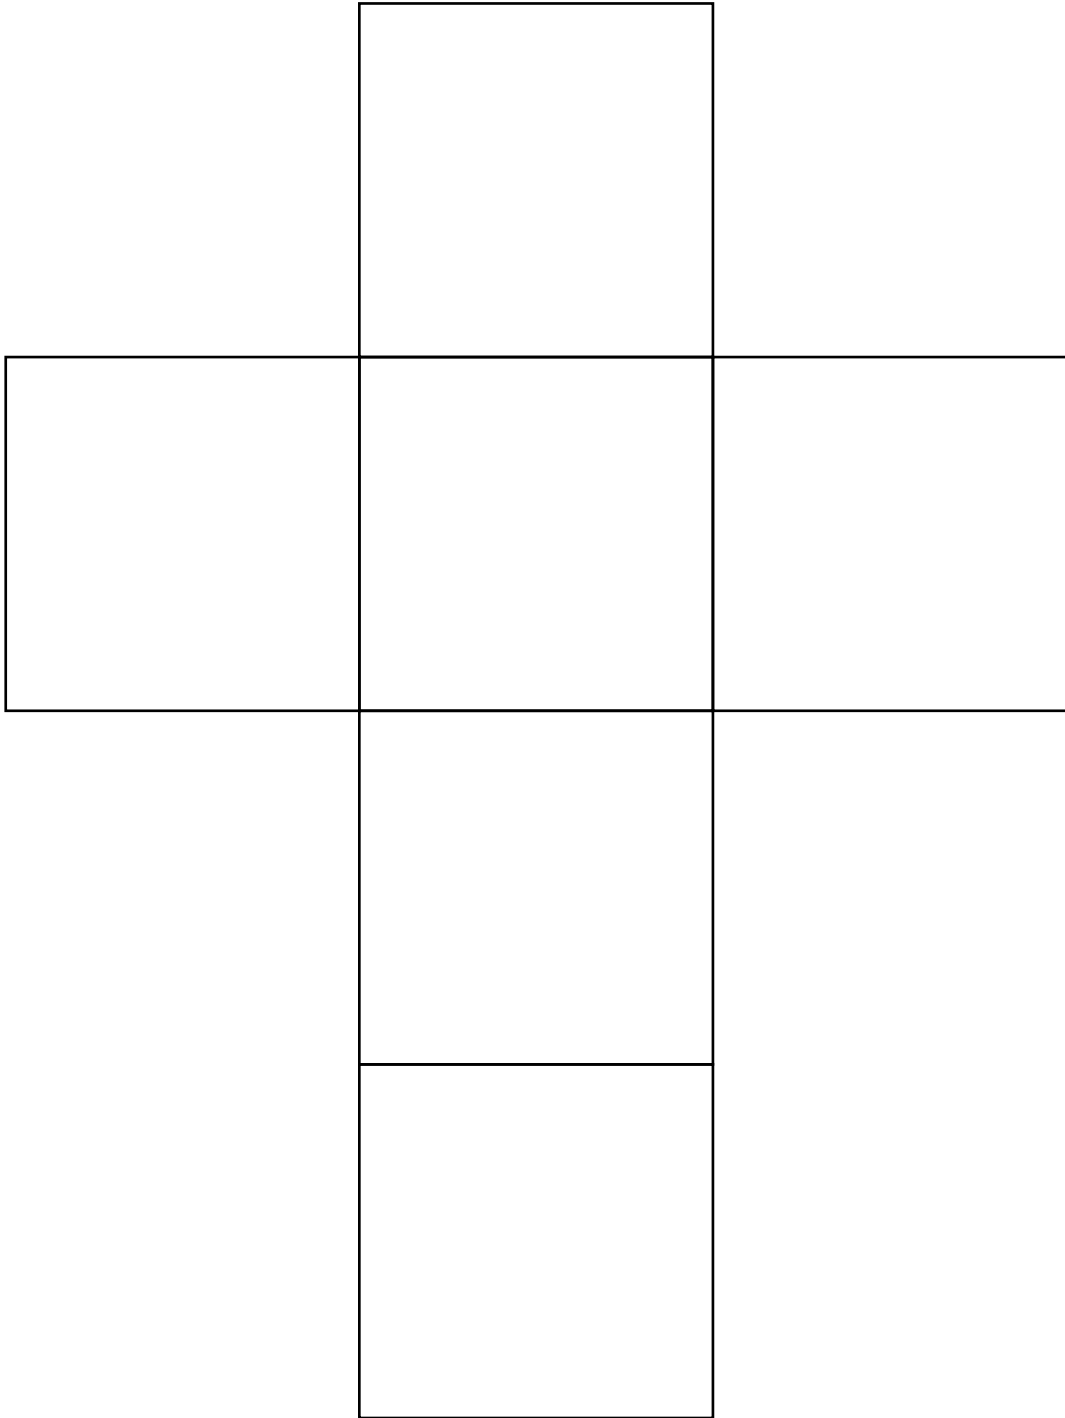

Tent 2: 1 triangular prism and 1 triangular pyramid

Tent 3: 1 rectangular prism and 1 triangular prism
